

Position Description

Position Title	Fleet Mechanic
Department	Strategy
Reports to	Coordinator Fleet & Plant
Grade	7
Date reviewed	October 2024

Primary Purpose

Support the delivery of effective and efficient fleet maintenance services to Council's stakeholders.

The incumbent will contribute to Council's vision as "A Trusted Community Partner", promote the values which support this: Solutionary, Together, Accountable, Innovative, Caring, and use these to guide decisions, actions and conduct.

Key Accountabilities

- Ensure Snowy Monaro Regional Councils fleet is maintained in good order and condition with minimal returns after service and repairs
- Maintain a suitable clean and safe environment to carry out service and repairs, whilst ensuring a high level of awareness and attention to safety procedures
- Workshop facilities, tools, plant and equipment are maintained in a safe, clean and tidy state
- Perform maintenance and repair of Council plant, motor vehicles and equipment, ensuring all plant and equipment released from the workshop are in a safe operational condition, meeting legislative and manufacturer requirements
- Assist in the procurement of goods and services
- All workshop documentation is maintained in an accurate, timely manner
- Attend to call-outs and breakdowns as required
- Carry out metal fabrication, welding, machining, auto electrical tasks, air conditioning diagnosis and repair in both the workshop and out in the field,
- Stand down unsafe plant and equipment when necessary,
- Assist Council's plant operators and construction workers in their daily maintenance of equipment by offering knowledge and/or assistance
- Promote information sharing and knowledge transfer to drive evidence-based decision-making, enhance capability and optimise capacity
- Contribute to the performance of Council: demonstrate professional conduct, make the best use of knowledge, experience and skills and be accountable for own decisions and actions

- Contribute to a safe workplace: comply with legislative and organisational requirements and be accountable for own decisions and actions

The employee is required to undertake any other duties, projects or tasks as directed by the Coordinator Fleet & Plant, which are within his/her skills, competence and training.
